

Jump into Summer Learning!

Oxford Learning Brain Camp at Las Sendas

KIDS CAN LOSE UP TO 30% OF WHAT THEY LEARNED IN
SCHOOL OVER THE SUMMER

The Handwriting Academy provides interactive programs that focus on Alphabet Identification, Sequencing, Formation and Writing Fluency. Depending on age and ability students will learn Lower Case, Upper Case, Numbers, and/or Cursive. Students will also learn proper pencil grip through activities for fine motor skill development.

Power Reading combines explicit instruction in letter-sound relationships, word recognition skills and reading comprehension strategies with plenty of opportunities to apply and practice these skills.

Power Math builds math skills from addition and subtraction to Trigonometry, grades Kindergarten to 12th. Utilizing small groups and individualized programs, students achieve mastery and academic excellence in math. Students have lots of fun with hands-on, interactive learning.
