BrainAdvantage and Oxford Learning

...working in conjunction to help you child resist distractions and focus on academic and athletic success

Call Today for your free Vision Skills Screening with BrainAdvantage—an \$85.00 value.

Oxford Learning and BrainAdvantage are teaming up to bring our students exciting opportunities for success.

- *Increase attention and focus*
- *Improve behavior*
- *Reduce impulsivity*
- *Raise self-esteem*
- *Improve athletic performance*

HOW DOES IT WORK?

Your child will first receive our unique assessment to identify issues potentially affecting brain function and learning. Then we'll prepare a specific training plan designed to strengthen any weak areas. Through the training that follows, your child can strengthen neural functions, create new neural pathways, and reduce auditory and visual processing disorders, resolve visual insufficiencies and emotional behavioral issues.

Beyond Tutoring™ Grades K-12

We create an individualized program that goes beyond tutoring to teach your child to learn and study more effectively. Better grades, motivation and confidence follow. Give your child a lifetime of learning success. Hourly rates are \$40 for 3:1 sessions, and \$60 for 1:1 sessions.

College/Career Advising/Test Prep

HSPT, AIMS, SAT & ACT. First, we prepare your child to get higher test scores. Then, we teach the advanced learning and study skills that every student needs to succeed in high school and/or college. Hourly rates are \$40 for 3:1 sessions, and \$60 for 1:1 sessions.

Day Academy

At Day Academy we support all online K-12 schools. Acting as the student's learning coach, we coordinate learning plans and conferences with online teachers. With a 10:1 student to teacher ratio for grades 4-12 and a 5:1 ratio for grades K-3, our experienced teachers provide individualized attention, while tracking and monitoring progress daily.

- Monday-Friday 8:30 am - 1:00 pm
