

# Jump into Summer Learning!

## Brains Matter Summer Camp

**KIDS LOSE UP TO 30% OF WHAT THEY LEARNED IN SCHOOL OVER THE SUMMER**  
At [Oxford Learning](#), our individualized program helps kids improve their skills with Power Math, Power Reading, and Writing or [The Handwriting Academy](#). [Mad Science](#) engages children in activities such as; building a bridge, a dinosaur dig, build and launch a model rocket, and sports science! At [Sommet Fitness](#), kids build strength and flexibility through yoga, mat Pilates, games and lots of fun activities.
