Let's Talk About Summertime!

Summer: it's on everybody's minds and lips now that school is out.

It's all we can think and talk about too!

Here are just some of the summer topics that we've been talking about:

- What to do and what not to do this summer
- How to turn summer moments into learning moments
- Preventing summer learning loss
- The 20 best things to do this summer
- Summer learning grade by grade

What's great is that we're not the only ones talking about summer learning!

Radio personality John Tesh on his show "Intelligence *For Your Life*" discussed the importance of incorporating learning into the family's summer plans and even offered some tips.
