

## Oxford Learning West Hamilton Hosts Rubik's Cube Competition

**What:** Is the student in your life a problem solver? Students aged 6-18 are invited to show their problem solving skills by participating in a Rubik's Cube Competition at Oxford Learning in West Hamilton!

Students are invited to have fun, exercise their brain, and win prizes!

**When:** Sunday December 7th, 2008 from 10 am to 3 pm

**Where:** 875 Main St. W. Unit #3 Hamilton, ON. Call 905-52-Learn,  
or email [westhamilton@oxfordlearning.com](mailto:westhamilton@oxfordlearning.com)

**Why:** Rubik's Cubes Puzzles help students develop spatial awareness, multi-dimensional thinking, and problem solving skills. Be Hamilton's Rubik's Cube Champion!

**Who:** Students aged 6-18 are invited to participate. There will be two age groups; 6-12 and 13-18. Prizes will go to a male and a female in each age group.

**How:** Register for the Rubik's Cube Competition by calling 905-52-LEARN. This is a free event but registration is required! Call today to reserve your spot!
