

# What will your child remember from this summer?

- Research from Johns Hopkins Institute for Summer Learning shows that kids can lose up to 40% of their learning momentum over the summer months.
- It can take up to two months for students to get their learning momentum going when school starts in the fall. This can cause learning gaps.
- Summer is the perfect time to catch up in trouble areas, to get ahead, or to make those necessary connections.

## En français Programs Pre-K to Grade 12

Language support or enrichment for all levels!

Whether your child is learning French as a second language or simply needs a boost, Oxford Learning's En Français programs build specific skills to help French learners of any level.

### Individual programs to address every need.

At Oxford Learning we know that each child acquires language in his/her own unique way.

- Fully customized programs
- Opportunities to converse with others
- Improved grammar, vocabulary & spelling
- Improved fluency and pronunciation
- Improved reading skills and techniques
- More confidence!

The strategies learned here travel to the classroom and beyond. For more information on a specific and individual program for your child, please contact us.
