En français™ Grades 1 to 12

Broaden opportunities for your child with our En français™ French program. Whether a student is in introductory classes, immersion, or is French first language, our customized programs focus on French grammar, reading comprehension, writing, and vocabulary to help students of every skill level say "oui" to better grades in French.

French assessment is included with Dynamic Diagnostic Assessment™ for Beyond Tutoring® and Advantage™ Programs.

Dynamic Diagnostic Assessment™

All programs at Oxford Learning begin with our in-depth assessment that allows us to pinpoint a child's unique learning needs. With the detailed results, we create an individualized program that meets your child's learning needs. Programs are scheduled into 1-2 hour classes, a minimum of twice per week.

ESL Program Grades 1 to 12

Our English as a second language program is designed to help students of all levels of English proficiency strengthen their English language skills. Using the same customized and proprietary learning system as all our programs, English language learners receive a course that focuses on the right areas to help them progress at a comfortable pace.

Teamwork Success

Grades 7 to 10

Working with others is a valuable skill that serves students well both in school and later in the workplace. During this 4-hour workshop, students complete personality tests, group activities, and case studies to develop an understanding of their own interactional style in order to better understand how to work with others.

4-Hour Group Program.....\$100.00
*Minimum of 4 students required to run workshop.

Get Organized

Grades 7 to 10

This 4-hour workshop gives students a head start on school organization. Students cover four fundamental concepts: goal setting, time management, note taking, and organization of school materials and workspace. While students complete practical exercises—binder and backpack organization—they learn how to integrate these new skills into their routines.

4-Hour Group Program.....\$100.00
*Minimum of 4 students required to run workshop.
